

# JACKSON select

## JSSC U8 Tournament Team

- It is the desire of JSSC to select 8-10 players from the U8 ('00) pool of players to compete in 2 tournaments at the end of the season. The coaches of the '00 Developmental Teams will use the training and games through April to nominate players. A meeting will be held with the Director of Coaching and the team will be selected. Teams will be selected at the beginning of May.

---

**Purpose:** Provide additional training and game opportunities for the JSSC U8's.  
**Cost:** \$80 (Payable to JSSC. Checks will be returned for those not selected.)

**Tournament #1:** Westlake (Memorial Day Weekend)      May 24-26.  
**Tournament #2:** Avon Lake      June 13-15.

---

- There will be some additional training and scrimmages provided by JSSC to prepare this team for the tournaments. The fee will help cover the tournament fees, training, and coaching. Training will probably take place on Saturday mornings. The scrimmages will be TBA.
- Each tournament usually comes with 3-4 games. There are no playoffs (knockout rounds) at this age. The selected team will get the exposure to and opportunity to compete against other community travel programs as well as premier programs from around the state.
- Only those players that fill out the release will be eligible. To be eligible for the Select Tournaments, please give this form to your coach, or get to a JSSC board member by April 15<sup>th</sup>. We are excited to be able to bring this opportunity to our community. We hope you would like to take part.

Player Name: \_\_\_\_\_

If selected to the JSSC '00 tournament team, you agree to the following:

- The player will be available for the additional training dates. (see above for details)
- The player will be available for at least one of the tournaments. If you cannot make both tournaments, write down which tournament you can make on the back.
- The player will be playing for Jackson Select in the fall.
